Get on Board

Our website is for teachers and parents who want to help kids get to grips with public transport.

We've shared everything we know in a fun, interactive way, so your kids can learn how to use public transport safely and responsibly.

You'll find a flexible and interactive program, with extensive resources for teachers, parents and students that are all completely free.

- Curriculum lessons
- SmartRider ticketing and group booking
- Excursion planning
- Media library
- Fact files
- Games and competitions
