

# ACADEMIC ELITE PROGRAM

**AVELEY**  
SECONDARY COLLEGE

**VISION STATEMENT**

**Our vision is to be a school of choice, committed to educational excellence in a caring community that inspires a passion for learning where every child matters and achieves success each day.**

**OPPORTUNITY**

The Academic Elite Program (AEP) is exclusively available to students in the Aveley SC local intake area. For these students, we offer an intellectually stimulating education program which is rigorous but supportive, inclusive but flexible and conducive to the pursuit of excellence. Students are challenged by an accelerated and differentiated curriculum that values higher order thinking and critical literacy.

Your child will be welcomed into our learning community which reflects the diversity of the world beyond the school gate.

**GROWTH**

This program brings together like minded, highly academically capable students, fostering the development of their talents as well as caring for their social and emotional needs.

**BALANCE**

Our uniquely flexible program is available to students in Years 7, 8 and 9 and operates in two streams.

- Maths and Science
- English & Humanities (HASS)

Students may access one or both streams depending on their academic needs. This aspect of the program differentiates it from the Department of Education's GATE program.

**BENEFITS**

This program provides the opportunity for students to engage in a challenging and rigorous curriculum whilst being supported by the culture and ethos of the college.

The added benefits of the Aveley AEP are:

- Program flexibility
- High quality teachers
- Progressive curriculum (acceleration or enrichment)
- Research based pedagogical approach
- Future focused
- Additional camps, incursion and excursion opportunities

**SELECTION**

Selection to the Aveley SC Academic Elite Program is based on the results of a selection test administered during set testing windows.
