Chess	Playing chess helps to develop many mental skills that are useful in life, such as: logic, strategic and tactical thinking, planning and preparation, and problem-solving. Chess Club provides an opportunity to simply have fun playing the game and making friendships, while building these skills at the same time. Chess club will provide informal games to start with, but we hope to be able to participate in some tournaments as the experience of the players grows. This will be an ongoing academy and will run for the whole year.	Monday and Thursday 7.30-8.15am	L. Mertens C. Fordham	LC2.7	\$0	14
Taiko (Japanese Drumming)	What happens when you combine fitness, music and Japan? A musical sport called Taiko! This academy is a <u>workout</u> where students should be prepared to jog and work up a sweat. Taiko is the way of the drum, where spirit, respect and effort are all rewarded with heart thumping beats and music. This is a traditional musical/dance art-form where students will grow in confidence and teamwork. By the end of the academy students will be able to perform as a group at sporting events and assemblies. This will be an ongoing academy and will run for the whole year.	Monday 2.45-4pm	C. Dancer J. Goodacre	Arts Studio	\$0	10

Table Tennis	Table tennis is a fun and easy to learn sport for students of all abilities, from complete beginners to Olympic athletes. Yes, table tennis is an Olympic sport. Learn new skills, challenge your friends and have fun. Everyone welcome!	Thursday 2.45-3.45pm	C. Kirk S. Harrison	Sports Hall	\$0	18
Rugby Year 9-11	Students will be playing Rugby League rules which will involve physical contact. They will be participating in drills and gameplay.  It is recommended that students wear rugby appropriate pants and tops rather than the ASC sports uniform.	Thursday 2.45-3.45pm	J. Imrie J. Richardson	Oval	\$0	26
Soccer	To learn fundamental soccer skills and develop individual and teamwork skills.	Monday 2.45-3.30pm	J. Imrie J. Richardson	Oval	\$0	25
Choir	The student led choir is designed to enhance the musical, collaborative and expressive qualities of all students. Musical opportunities are provided for every child to learn the basic skills of singing, harmonising, developing song repertoire, broadening listening skills and experiencing the interrelated nature of music with other cultures and content areas.	Tuesday 2.45-3.45pm	C. Dancer J. Goodacre	Arts Studio	\$0	40
Year 10 Chemistry Catch Up Course	This academy is designed to help Year 10 students revise Chemistry content from Years 7-9 so they can maximise their knowledge before starting Chemistry in Term 2. The sessions will focus on Atomic Structure and Electron Configuration, Ions and Isotopes, and Chemical Equations.	Monday 7.30-8.15am	T. Baines S. Pillay	Chem Lab 2 (SCCL2)	\$0	32
Year 11 ATAR Science Study Sessions	This academy is designed to help Year 11 ATAR students dedicate an hour of study towards their ATAR Science classes. This course is being delivered by a Chemistry teacher, however students from Physics and Human Biology are welcome to join.	Tuesday 2.45-3.45pm	T. Baines C. De Leon	Chem Lab 2 (SCCL2)	\$0	32
Robotics (Year 10 & 11)	In the robotics academy students will work together to build a robot and compete in the FIRST Robotics Competition. This academy will run until August. <i>Due to the urgency of the competition a notice has already been posted in SEQTA and all interested have already signed up.</i>	Tuesdays and Thursdays 2.40-4pm	C. Pilapil J. Richardson	ITD	\$0	10
Minecraft	In the Minecraft Academy students will join together to play in an online Minecraft world consisting of 30 players. They will build and battle each other in the freedom of an open environment. They can choose to bond together to form alliances or venture alone through the harsh Minecraft biomes. This is a great academy for students to build friendships while working on their computer competency.	Friday 2.45-4.00pm	C. Pilapil S. Broderick	ITD	\$0	29

**Students cannot attend an Academy without consent form and payment, if an Academy has an associated cost.** Payment and permission submissions are available via QKR. If alternative payment/registration is required permission forms are available from the main office. More information is provided on our website under Payment Methods including links to the App Store: <https://www.aveleysc.wa.edu.au/for-parents/financial-matters/>

## **QKR!**

Qkr!, pronounced 'Quicker', is a secure and easy way to pay contributions and charges as well as sign permission slips for your child to attend an activity via your smartphone or tablet. Download Qkr! from your device's App store onto your smart phone or tablet.

By using Qkr! you have anytime and anywhere ability to pay for your child's voluntary contributions and charges such as excursions or Academies. The App also keeps record of your payments and you can send your receipts to your email if required.

This short Video shows how to use Qkr! <https://vimeo.com/185424067>

**Step 1** – Download Qkr! From your app store.

**Step 2** – Register, select your Country of Residence as 'Australia'.

**Step 3** – Find Aveley Secondary College.

**Step 4** – Register your children in 'Student Profiles'. This helps us record your payment.

**Step 5** – Select payment item from the College Academy menu, then select the child you are paying for. Select 'Checkout' then confirm to pay.

Should you require an alternative payment method please contact our front office on [Aveley.SC.GeneralEnquiries@education.wa.edu.au](mailto:Aveley.SC.GeneralEnquiries@education.wa.edu.au)
