

Dear Parents and Caregivers

Aveley Secondary College is very excited to announce the opening of applications for Year 7 2023 students wishing to be part of our Sports Elite Program.

The Sports Program is exclusively available to students in the Aveley Secondary College local intake area. It has been designed to maximise our talented sporty students' physical and personal development. Our vision is to promote a 'high performance culture' for students focusing on sporting excellence, creating the balance needed for students to be successful both on and off the field. Please refer to the attached flyer for the program specifics.
