

Dear Parents and Caregivers

Aveley Secondary College is very excited to announce the opening of applications for Year 7 2024 students wishing to be part of our Sports Elite Program.

The Sports Program is exclusively available to students in the Aveley Secondary College local intake area. It has been designed to maximise our talented sporty students' physical and personal development. Our vision is to promote a 'high performance culture' for students focusing on sporting excellence, creating the balance needed for students to be successful both on and off the field. Please refer to the attached flyer for the program specifics.

The Sports Elite Program will run alongside the student's normal timetable and take place every Tuesday from 7.15 am to 8.15 am in the school's Sports Hall.

If your child is interested in applying for a place in the Sports Elite Program for 2024, please follow the selection process instructions below.

The selection process into the Aveley Secondary College Sports Elite Program for 2024 is comprised of two components;

Stage 1: Completion of the attached written application form which outlines your child's sporting achievement and aspirations. The application form must be submitted to the College main administration by 4.00pm **Thursday 7 September 2023**.

Stage 2: If successful in stage 1 (written application), you will be notified via email by **Thursday 21 September 2023** and your child will be invited to complete a physical test based on a variety of key sport components such as strength, power, speed, agility, flexibility aerobic fitness.

This will be conducted at the College from 3-4pm on **Monday 16 October 2023**.

Students will be notified of their selection in the SEP via email after the results of the trials have been reviewed.

If you have any questions, please contact Laurence Houghton on 6296 1000 or email Aveley.SC.Generalenquiries@education.wa.edu.au

Kind Regards

Laurence Houghton
SEP Coordinator
